

Full Day Excursion

To Polis Chrysochous and Latchi/Boat ride to the Blue Lagoon

Our tour will take us through the banana and tobacco plantations along the Coral Bay road. This will be a drive to remember though the scenic villages of Peyia, Kathikas, Arodes, Droushia and Neo Chorio where you can admire the long hectares of vineyards, carob trees, as well as stone-walled traditional houses.

Our first stop will be at Aphrodite baths in Latchi. We will follow the nature trail in order to reach the famous grotto where pure water is still marvelously running through the times from a natural spring. Legend has it, that the goddess of beauty, Aphrodite, came to bathe and meet her lover Adonis at this secret spot.

The heart of Latchi beats at the picturesque harbor and promenade, reputed for its fresh fish taverns, shops and bars; we will take the opportunity to view the daily activities of local fishermen and wander at the promenade of the harbor, before we board on a glass bottom-boat that will take us to the Blue Lagoon. The boat will stop there for some time, so that you can swim and have a traditional "souvla" lunch on board!

On the way back to Paphos we will stop in Polis Chrysochous cobbled center, where you can have a short stroll for a coffee and a visit at the souvenir shops.
